

Minnesota Soybean Producers Scholarship

MNSP is 2400+ Member owned Cooperative that uses the latest in technology to manage the business of processing soybeans and providing value to Minnesota Agriculture. Young minds play a vital role in new development in our Agriculture industry. MNSP is pleased to announce two \$250 scholarship opportunities for all juniors and seniors in High School. To apply for this scholarship please submit a 250-300 word essay typed and double spaced by May 7, 2010 based on the following question:

New soybean seeds are being researched and developed by companies such as Pioneer Hybrid and Monsanto to produce soybeans that yield healthier oils from the crushing process. Some examples of these oils are Low Linolenic, High oleic, and Omega 3. Please discuss the benefits of these oils in a healthier diet and companies presently using these oils in their cooking processes.

Essays can be submitted via email to kim.collin@mns soy.com or mailed to MNSP, Attn: Kim Collin, PO Box 100, Brewster, MN 56119. Scholarships winners will be notified by May 17th. Both scholarship winners will be posted on our website as well as their winning essay entry. Scholarship winners will be asked to appear in the Okabena, MN 4th of July Parade as well as the Brewster, MN Fun days if their schedule permits.
